Result:

This petition is now closed.

Background (Preamble):

Hijacking of German MV "Hansa Stavanger" by pirates off the Somalian coast on 4th of April, 2009 without any effort of Leonhardt & Blumberg to help the crew members who are being kept hostage.

Petition:

We call upon Leonhardt & Blumberg to extend their efforts to bring the situation on board MV "Hansa Stavanger" to an end.

We request the person in charge to do anything in their power that the negotiation with the pirates concerning the freeing of the crew-members will lead to a solution as soon as possible and practicable.

In order to show our solidarity to the crewmembers we are planning to hand over the petition on the day the Hansa Stavanger is in captivity since 4 months.

Signed,

Julia Petzold
