Dear Capt. K.K.Kotiuk ,

How are you! Sir!

This is Evergreen American Corporation at New York Office.
I, Capt. H.C. Chao, am manager of Marine Section, Marine Department.,
I would like to say thanks to you good cooperation at this voyage
East bound from CCT to CHS, NFK, NYC, en route you encountered the
tropical storm "Ophelia". Our office in charge of cargo operation
for your good vessel, the Port Capt. David Yang, reported to me that
you had done the best seamanship and navigation skill to pass the
storm and match the ship's schedule, also reduce the congestion of
the berth for our arrangement.

Very appreciate your good command of your vessel.
Just via this message forward my best salutation to you!

Season's greeting & All The Best Wishes To You!

Bon Voyage & Best Regards.
